

Join us for a special evening for the women of the parish community!

The Roles We Play in God's World

Do you find that the pace of daily life is increasingly fast-paced and demanding? As women, we try to keep up to be all things to all people and find ourselves juggling a variety of roles – mother, wife, daughter, career woman, community volunteer, caretaker, car-pool driver, the list is endless! Jesus calls us to serve others, but sometimes the many roles He places us in may lead us to feel overburdened, under-appreciated, and burned out. But are we placing the right emphasis on the right roles?

Join us for an uplifting night to explore how we can carry out these roles with light hearts, joy, and centered to serve the Lord!
